Institute of Physics

Chair of Telecommunications and Signal Processing

Associate professor

Publications

Article

Local existence theorem for the equations of motion of viscous liquid in Holder weight spaces

Khachatryan A. G.

Proceedings of the YSU. Physical and Mathematical Sciences 2016 56-63

<http://www.ysu.am/science/en/journals>

Conference

On solvability of initial-boundary problems for quasilinear parabolic systems in weighted Holder spaces

A. Khachatryan

Conference

О краевых параболических задачах в нецилиндрических областях в гельдеровских классах функций

А. Г. Хачатрян
